## RecSports Flag Football All-Hack Team

Name	Position	Team Name	Year in School
Elmer Monaco	QB	Rocktown	Senior
Best arm in the entire league. Monaco is a pure-born leader on the football field.			
Ryan Johnson	DE	Rocktown	Senior
Most underrated defensive player in the league. Can change the appearance of a game in a heartbeat.			
Ian Sanchez	QB	Monstars	Sophomore
Always cool under pressure. Sanchez was the heart of the Monstars offense.			
Nick Griffin	TE	Monstars	Sophomore
Griffin is a quick and scrappy player. The kid is a winner and that is the bottom-line.			
Drew Bendick	MLB	Sig Ep Blackout	Junior
Provided lockdown defense all season. He ate flags for dinner (num...num...num).			
Brad Bytof	QB	Sig Ep Blackout	Senior
Carried Blackout the entire season. Able to scramble when needed to pick up some extra yards.			
Bryan Otte	QB	Pike Nation	Junior
A force to be reckoned with on the football field. Has big-play ability like Favre.			
Mike Orlando	WR	Pike Nation	Junior
Able to catch anything thrown his way. It would be tough to find a finer receiver in the league.			
Jacey Johnson	QB	Saltine United	Freshman
Jacey is a soft-spoken team leader. Would re-open plays like it was her job.			
Klayton Finley	WR	Saltine United	Junior
He often propelled SU with amazingly deep catches, and "Madden-esque" spin moves in the open field.			
Abby Barra	WR	The John Donaldson Exp.	Freshman
One of the best females on the fields of Gregory St. This go-to gal didn't just score on closed plays.			
Mitch Kresca	WR	The John Donaldson Exp.	Junior
Able to catch the ball in tight situations. It would be tough to find someone to match his athleticism.
